Johnson, James, ca. 1750–1811, compiler: The Scots musical museum. (Continued)

Burns contributed 184 songs, wrote most of the prefaces to the different volumes, and may be said to have edited the work. The arrangements of the airs were prepared chiefly by Stephen Clarke. — *cf. Dict. nat. biog.*, under James Johnson.

"The volumes of the Musical museum, as originally published, were 'Humbly dedicated to the Catch Club...' On the completion of the sixth and last volume, in 1803, Johnson substituted a new set of title-pages, dedicating the work 'To the Society of Antiquaries of Scotland.'" (Laing's pref. to 1839 ed., v. 1, p. ii, footnote.) There was also added to a number of the songs the ascription, wanting in the earlier issue: Written for this work by Robert Burns.

Codex Calixtinus.

Vellum manuscript of the 12th century preserved at the Archivo of the Catedral in Santiago de Compostella (no pressmark) It purports to be the revised edition of an older collection of books devoted to the cult of the apostle St. James and compiled by Pope Calixtus II (d. 1124) It comprises five books or "codices":

(1) Selections of liturgical pieces and hymns in honor of St. James (at end: Finit codex primus)

(2) Capitula libri secundi s. Jacobi de XXII miraculis ejus.

(3) Liber tertius s. Jacobi [de translatione Jacobi]

(4) Liber quartus [Historia Turpini or Historia Karoli Magni et Rotholandi, falsely ascribed to abp. Turpin who died 800] This book, at the beginning of the 17th century considered to be apocryphal, was detached from the codex and bound separately.

(Continued on next card)

CA 29-190 Unrev'd

MUSIC DIV.

Codex Calixtinus. (Card 2)

(5) Liber quintus, a guide for pilgrims containing topographical and ethnographical information. It was published in 1882 by G. Fita with the misleading title "Le codex de saint Jacques de Compostella (Liber de miraculis sancti Jacobi) Livre IV. The title "Liber de miraculis" belongs to the 2d book, and what was the 4th book before separation from the Codex Calixtinus contains the Historia Turpini.

From being the name of the principal and most complete manuscript of the compilation, "Codex Calixtinus" came to be used frequently as title of the collection. In order to avoid this ambiguity Bédier proposed "Livre de saint Jacques" (Liber sancti Jacobi) as title of the compilation in distinction from Codex Calixtinus, the designation of the one particular manuscript at Compostella.
